F  
You see it everywhere  
Gm7 C7  
On the ground and in the air  
Gm7 C7 F  
It's a power that cannot be denied.  
F  
Its got zap and its got flare  
Gm7  
It says danger...so beware  
C7  
But you'll love it if you keep it on your side.

Bb C7  
Shocking though it is  
F Dm  
It's what gives the dodgems whizz  
Gm7 C7 F F7  
And the Watts for making ferris-wheels rotate  
Bb C7  
Shakespeare said its all a show  
F Dm  
Now it's a circus too you know  
Gm7 C7  
And without it life wouldn't be so great, so

F C- Gm7 C7 (C- = Cdim, B- = Bdim)  
 Flick the light on above your head  
 F B- Gm7 C7  
 Boil that water! Toast that bread!  
 F F7 Bb Bbm F C7 F C7  
 The clock on the wall strikes one! two! three! Thanks to electricity

F C- Gm7 C7  
 Radios and movies telephones and more  
 F B- Gm7 C7  
 Elevators take you to the 89<sup>th</sup> floor  
 F F7 Bb Bbm F C7 F E7  
 All the little lights in a christmas tree Thanks to electricity

Am E7 Am E7 Am  
 Chorus: The world was cold and dark till you came along  
 G G#- Gm7 C7 Gm7 C7  
 You've warmed our hearts up with one heck of a so-o-o-o-ong

F C- Gm7 C7  
 Take a look at the city from up in the air  
 F B- Gm7 C7  
 There's no brighter nighttime magic than there  
 F F7 Bb Bbm F C7 F  
 Its one vast dazzling symphony Thanks to electricity

INSTRUMENTAL: verse / chorus / verse
