2. Chambermaids sweet names I call it's a wonder I don't fall
My minds not on my work at all When I'm Cleaning Windows
I know a fellow such a swell he has a thirst its plain to tell
I've seen him drink his bath as well When I'm Cleaning Windows
chorus

Pyjamas lying side by side lady's nighties I have spied
I've often seen what goes inside When I'm Cleaning Windows.

3. There's a famous talkie queen she looks a flapper on the screen
She's more like eighty than eighteen When I'm Cleaning Windows
She pulls her hair all down behind and then pulls down her...never mind
And after that pulls down the blind When I'm Cleaning Windows
chorus

At 8 o'clock a girl she wakes at 5 past 8 a bath she takes
At 10 past 8 my ladder breaks When I'm Cleaning Windows.
